Subject Re: Your Men!

Hi Ken,

I thought that you should know that the men employed here to do security at Abbott are top notch!

I have worked in other pharmaceutical companies but these security guards do stand out. At all times they show courtesy, friendliness, good manners and are always willing to help me out if required.

When I come in early or leave late they always greet me, it's like they belong here at Abbott and it seems to me, they treat us as their customers.

I am sending this email as you are in charge and I think you should also get some credit for the good job you are doing.

Regards

Julia

NB. No-one paid me to send this email! Hard to believe hey?
